DECLARATION OF CONFORMITY

COFI srl located in via Castagnole 58/a, Treviso - Italy -

DECLARES

that the transformer **TRE820PS4** supplied at **230 V** **50 Hz** is produced in conformity with the European Standard EN 61558-2-3:2011-04 in compliance with the Directive 2014/35/EU.

The compliance with EN 55014-1/A2 regarding EMC, in conformity with Directive 2014/30/EU, is warranted by the application to the transformer of the appropriate accessories as primary power supply filter and high voltage suppressed cables on the outputs.

The test has been made with a gap of 3 mm between ignition rods.

The transformer is **CE** marked.
